

Childminder situations

Situation 1

CHILDMINDER **A**

You are a parent who doesn't want to let your two-year-old daughter, Maria, go into the garden and play again this afternoon. You feel she is a little tired today and will be better off indoors.

Situation 1

CHILDMINDER **B**

You are two-year-old Maria's childminder, explaining to her apparently reluctant mother why you take children to the park or to play in the garden.
