

## Home visits situations

### Situation 1

#### HOME VISITS **A**

Your home visitor is playing with the baby so you might as well go and put the kettle on and finish the washing up.

### Situation 1

#### HOME VISITS **B**

Tina leaves you playing with the baby in the front room and disappears into the kitchen to get some work done. This happened last time you visited and you really need to make the point that you'd like her to stay and play with you and her baby.
